ANNUAL REPORTS

Town of Hudson, N. H.

FOR THE YEAR 1948

JUST A LITTLE FRIENDLY ADVICE TO THE TAXPAYERS

Before voting for any great increases in the Town and School Budgets for 1949 the people should be enlightened as to the possibility of a higher tax rate than last year. There are certain fixed charges that must be met but other than that, great care should be exercised in the matter of improvements which can be delayed until such time as the Town and School Districts are in a position to take on the added burden.

The amount of your tax bill depends somewhat on YOU.

During the past year the Town lost two of its valuable servants. Today we pay our deepest and profound respects to the memory of the late Lewis F. Hammond and Clayton B. Abbott. Mr. Hammond served faithfully for several years on the Budget Committee and as a member of the Hills Memorial Library Trustees. Mr. Abbott was a valued trustee of the Hills Memorial Library at the time of his death and both will be greatly missed in the community.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Junior High School Auditorium in said Hudson on Tuesday, the 8th day of March next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing for which purpose the polls will be open from 10 A. M. until 6 P. M., unless a later closing hour is voted by the Town.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.

4. To see if the Town will vote to authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

5. To see if the Town will authorize the Selectmen to administer, pass title, or otherwise dispose of real estate taken by the Town for taxes to the extent of the right, title and interest of the Town therein, this authority to continue from year to year without further expressed authorization until revoked or modified by an article in the Town Warrant.

6. To see if the Town will vote to repair and otherwise improve State Street and raise and appropriate the sum of Three Hundred Dollars ($300.00) for said purpose, upon petition of Elliott Smith and others.

7. To see if the Town will vote to remove the forest fire menace incident to the present location of the town dump, by moving said dump to a new location in the immediate vicinity of a telephone and in the immediate vicinity of a fire hydrant or other adequate source of water for the fighting of fires and raise and appropriate money for the same, upon petition of Maude H. Priske and others.

8. If the Town votes in the affirmative on the preceeding article to see what further action the Town will take relative to the selection of a site for the Town dump and raise and appropriate money for the same.

9. To see if the Town will vote to install two (2) street lights, one at the corner of Oakwood and Third Streets, and one at the corner of Oakwood and Second Streets and raise and appropriate money for the same, upon petition of Charles Andrew and others.

10. To see if the Town will vote to raise and appropriate a sum not exceeding $266.00 (1/100th of one percent of the town's valuation based on the 1948 assessment) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with the 37 other communities in this Region.

11. To see if the Town will vote to raise and appropriate the sum of $100.00 for the purpose of purchasing an aerial map of the Town as prepared by the U. S. Army for mapping purposes, upon request of the Merrimack Valley Region Association.

12. To see if the Town will vote to raise and appropriate the sum of $100.00 for the purpose of tarring Porter Avenue, upon petition of Julius Corosa and others.

13. To see if the Town will vote to pay the Supervisors of the Check Lists, the sum of $50.00 annually, and raise and appropriate money for the same.

14. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars ($1,000.00) to pay for the services of the State Tax Commission in reappraising the taxable property in the town.

15. To see if the Town will vote to install two (2) street lights on the North Pelham Road, So called, one at a point on the hill just above the Hudson Center School and one near the upper entrance to the Benson Wild Animal Farm and raise and appropriate money for the same, upon petition of Vera Lovejoy and others.

16. To see if the Town will vote to accept F Street Extension from the northerly end of F Street on Plan of Brookside Park to the southerly side of Roosevelt Avenue on Plan of Land known as Warrenville, said F Street Extension being shown on Plan of said Warrenville and raise and appropriate the sum of $150.00 for the improvement of said F Street Extension, upon petition of Solange Marotte and others.

17. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty ($150.00) Dollars to grade and treat with tar F Street, so called, on Plan of Brookside Park from A Street to the northern and of said F Street, upon petition of Julius LaFlamme and others.

18. To see if the Town will vote to authorize the Selectmen to take proper steps covering the legal process necessary to close G Street so-called, on Plan of Brookside Park by E. O. Hathaway, Civil Engineer dated October 1912 and on file in the Hillsborough County Registry of Deeds, where this G Street has been dedicated Street to the northerly end of said F Street, upon petition of Julius LaFlamme and others.

19. To see if the Town will vote to accept Roosevelt Avenue, so called, from the Lowell Road to F Street Extension on Plan of Land known as Warrenville, said plan having been approved by the Planning Board under date of February 7, 1947 and raise and appropriate the sum of $250.00 for the improvement of said Roosesevelt Avenue, upon petition of Solange Marotte and others.

20. To see if the Town will vote to raise and appropriate the sum of $6,200.00, said amount to be used to purchase a new truck to take the place of the present International, the amount to be paid off in 3 serial notes, of $2,000.000 each, upon petition of Thomas R. Cote and others.

REPORT OF AN AUDIT AND EXAMINATION
OF THE ACCOUNTS
OF THE
TOWN OF HUDSON
MADE BY
THE DIVISION OF MUNICIPAL ACCOUNTING
OF THE
STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

Board of Selectmen

Hudson, New Hampshire

Gentlemen:

In accordance with the vote of the town, the annual audit and examination of the accounts of the Town of Hudson has been made by this Division. This audit covered the period from the date of the previous audit, July 31, 1947, to August 16, 1948.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent and Trustees of Trust Funds.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipts and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Appropriation Overdrafts:

As indicated by the appropriation statement, total appropriation overdrafts during 1947 amounted to $7,444.23, unexpended balances of appropriations $1,793.68, making a net overdraft of appropriations of $5,650.55.

The Town of Hudson has adopted and operates under the provisions of Chapter 52 of the Revised Laws of New Hampshire, known as the municipal budget law. Section 5 of Chapter 52, provides in part as follows:

> "xxxxx in cases arising during the year following a town meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by boards of selectmen or school boards from one appropriation to another, provided the total

amount expended for all purposes does not exceed the total amount appropriated at town or school meetings for all purposes."

It is noted that appropriation overdrafts occurred in a majority of the appropriation accounts during 1947, with the resulting net overdraft of $5,650.55. This procedure was not in conformance with the provisions of the law as indicated herewith.

An accumulation of annual budget deficits, resulting from appropriation overdrafts, seriously impairs the financial condition of a town. To prevent this more care should be given to the preparation of the budget and closer adherance to the appropriations which are authorized.

Town Clerk:

It will be noted that as of the date of audit, August 16th, 1948, the Town Clerk had made an excess remittance to the Treasurer in the amount of $16.53. This may be adjusted in a subsequent remittance.

Conclusion:

The accounts and records of the town officials which were examined were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 311, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER
Director
Division of Municipal Accounting
State Tax Commission

9 Persons warned and ordered to pick up rubbish dumped on side of roads.

18 Dead animals disposed of.

1 Person warned and ordered to bury dead horse he left in woods.

I am making two and three checks a week at the Town Dump so as to stop people from dumping garbage and other food.

We need the cooperation of the Towns People to have a Clean and Healthy Town.

CLINIC and CONFERENCE REPORT

On May 6th and 7th the State Board of Health conducted its annual clinic in Grange Hall.

The attending physicians were John Quigley, M.D., school doctor, and Edward Moran, M.D.

There were eighty five children under school age examined, and their corrective needs discussed with the accompanying parent.

Mrs. Irene Birchall, the local T.B. nurse, patch-tested sixty-four children, and each child having a reaction was visited, and arrangements made for chest x-rays.

Fifty-six children were vaccinated against smallpox and sixty-eight were given a booster dose of diphtheria toxoid for prevention of diphtheria.

School nurse Mrs. Helen House, R.N., was in attendance both days to assist the school doctor in his examinations.

Clare A. Hamilton, R.N., also assisted in the clinic room.

The following committee from the Parent Teachers Association assisted in all the details incidental to a successful clinic.

Chairman, Mrs. Madeline Ahrendt; Mrs. Vicky Quigley, Mrs. Dorothea Crabtree, Mrs. Phyllis Chalifoux, Mrs. Germaine Stephens, Mrs. Roberta Shaver, Mrs. Mildred Gales, Mrs. Austin Sanborn.

After the clinic examination each child was given orange juice and cookies by committee members.

A home visit was made to each child having a condition needing corrective measures, and ways and means discussed for obtaining corrections.

The clinic is a yearly project, and every mother of a baby or preschool child is welcome to attend and discuss her problem with the attending doctors.

MARIE FAHEY, R.N., *State Nurse*

PLANNING BOARD

HUDSON PLANNING BOARD

To the selectmen and the citizens of the Town of Hudson, the Planning Board submits the following as its annual report for the year ending Dec. 31, 1948:

The report this year will be one of progress on the various projects which have been before the board for a considerable time.

There have been several land subdivisions presented to the board for their approval.

The application made to the Federal Works Agency for funds for a sewer survey to be made in the town are still not forthcoming as no approval has been given allotting funds for that purpose to date.

Close watch is being made of the progress of the new building code which is being compiled by the City of Nashua as it is felt that it will have considerable bearing on what we will have to do in Hudson in the near future if we desire to raise the minimum standards to be in keeping with neighboring communities.

From observation it is becoming more and more evident that the traffic situation within 300 feet of the bridge should be given serious consideration. The recommendation of the board in this matter for the past two years appears to have been set aside either from an intentional misunderstanding of its ultimate plans or for personal gain at the expense of the town.

The State Planning and Development Commission have asked that this board join in making up an association which would meet to discuss the various problems of boards throughout the state from time to time. It is felt that this could bring a wealth of information to the town by so doing.

The HUDSON PLANNING BOARD

The above figures show the library's financial status at the present time. Due to the prolonged sickness and death of two members of the library board of trustees very little repair work has been done this year. At the present time there is a leak in the roof which must be repaired immediately. There are several other matters of routine upkeep that will have to be done in 1949.

Early in the year Mr. Lewis F. Hammond was taken ill and after a long illness passed away Aug. 10, 1948. After two long illnesses Clayton B. Abbott passed away on Dec. 1, 1948. These two men had served faithfully and well on this board and their passing is a real loss to the library as well as the town. In December, Charles C. Parker was appointed to complete Mr. Hammond's term of office and later in December, Amedee J. Paul was appointed to complete Mr. Abbott's term of office.

In memory of those gone and with the cooperation of the new members of the board we will attempt to do our best for the welfare of the library.

School Warrant

The State of New Hampshire

To the Inhabitants of the School District in the town of Hudson qualified to vote in district affairs:

You are hereby notified to meet at the Hudson Junior High School in said district on the 5th day of March 1949, at 1 o'clock in the afternoon, to vote for officers under Articles 1, 2, 3, 4 (Polls open 1-9 P. M.). Action upon the remaining articles will begin at 7 o'clock in the evening.

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote to adopt the non-partisan ballot system for the election of school officers as provided in sections 112 to 120 of chapter 34 of the Revised Laws.

10. To see if the district will authorize the School Board to apply for and to accept any funds for construction and equipment of school facilities which may be made available by the U. S. Government or any department or agency thereof and/or by the State of New Hampshire.

11. To see if the School District will raise and appropriate the sum of Ten Thousand Dollars ($10,000), or so much thereof as may be necessary for the services of architects, engineers, contractors' estimates, legal counsel and other expenses incidental to the District's acquiring the Hills Estate, so called, for school purposes, and securing from the trustees under the wills of Alfred K. Hills and Mary F. Creutzborg and the Trustees of Alvirne School, a voluntary corporation, funds for the construction and equipment on the Hills estate of a school to be known as the Alvirne School, and to authorize the raising of said Ten Thousand Dollars ($10,000) or so much thereof as may be necessary by the issuance of five serial notes, each not to exceed Two Thousand Dollars ($2,000), and one to be due and payable in each of the five next calendar years, to be signed by the District Treasurer and by the School Board, pursuant to Chapter 138 of the Revised Laws.

12. To see if the School District will authorize the School Board to enter into five (5) year contracts with bus drivers, upon recommendation of the Budget Committee.

13. To transact any other business which may legally come before the meeting.

Given under our hands at said Hudson this 18th day of February 1949.

REPORT OF THE SCHOOL BOARD

Our last annual report was devoted entirely to the litigation then pending with respect to (1) the interpretation of the will of the late Dr. Alfred K. Hills devising and bequeathing certain property in trust to found, establish and endow an educational institution to be known as Alvirne School and (2) the right of Mrs. Jessie Norwell Hills, trustee under the will of Mary F. Creutzborg, to transfer a portion of the trust estate to a voluntary corporation organized for the purpose of carrying out the intent and object of Dr. Hills.

In that report will be found a record of the offer of the trustees of the Hills fund and that of Mrs. Hills as trustee of the Creutzborg fund directed toward the establishment in Hudson of a Junior-Senior High School. It is also stated therein that these offers were presented to the voters of the School District at a special meeting held on September 18, 1947, and that it was voted at this meeting to establish and maintain a high school to be conducted as the Alvirne School located on the so-called Hills Estate in Hudson, in accordance with section 19 of chapter 138 of the Revised Laws, and to accept the offer of the trustees.

It is further stated in the report that this acceptance was subject to the approval of the Superior Court and that after various hearings, the Presiding Justice, holding that the plan accepted by the District did not appear to him to be feasible, approved a plan which was much more elaborate and extensive and which had been suggested by Dr. Edgar Fuller, then Commissioner of Education.

The report concludes with the recommendation that no action be taken by the District at that time since the case was to be transferred to the Supreme Court on exceptions to the Presiding Justice's decree taken by the trustees and by Dora Ashmead Dunn and Sidney Dunn.

This brings us to a recital of the steps which have been taken in the matter since our last report.

Dora Ashmead Dunn and Sidney Dunn, above referred to, are "remaindermen" under the Creutzborg will, and they have from the start objected, through their counsel, to any plan which would permit Mrs. Hills to transfer any portion of the trust estate "to the endowment and object" of Alvirne School.

The questions raised by the exceptions mentioned in our earlier report were argued orally and by printed briefs in the Supreme Court at the April term, 1948. Counsel for the District were allowed to intervene and furnish a brief and oral argument in support of the plan which the voters of the District had approved at the special meeting held on September 18, 1947.

On May 18, 1948, the Supreme Court rendered a decision in favor of the trustees and against the contention of the Dunns, who, within the time limit, filed a motion for rehearing. This motion was denied. Following the Supreme Court's decision, the trustees under the Hills will delivered to the District a deed of the Hills farm, so-called, to be held as long as the property was used for school purposes.

Counsel for the Dunns after the denial of the motion for rehearing expressed the intention of taking an appeal to the Supreme Court of the United States, but later abandoned that intent and brought suit against the trustees under the two wills and Alvirne school (the voluntary corporation) and its trustees. The defendants moved to dismiss the action on the ground that the questions sought to be determined in the action had been decided in the State courts. On August 20, 1948, a hearing was held on this motion, at which time counsel for the School District moved that the School District be made a party to the proceedings. The motion was granted.

Counsel for the School District then joined in the motion to dismiss the action and later filed a written argument in support of that motion. The Court did not render a decision immediately but granted leave to the Dunns to take the depositions of various persons including Mrs. Hills and the chairman of the Hudson School Board.

No decision had been rendered by the Federal Court when, on December 27, 1948, a hearing was held before Judge Goodnow of the Superior Court on the matter of drawing a decree to conform to the opinion of the Supreme Court as rendered on May 18, 1948. Judge Goodnow declined at that time to draw a decree. Exceptions were taken to his refusal to do so and on January 4, 1949, the trustees applied to the Supreme Court to set an early date for a hearing on these exceptions. Counsel for the District joined in the trustees request while Counsel for the Dunns objected. Judge Goodnow drew a decree, however, before the Supreme Court had acted in the matter.

On January 12, 1949, a further hearing was held in the United States District Court, but no decision on the motions to dismiss the action was then made, and the possibility existed that the Court might order a trial on the question of whether Mrs. Hills, as trustee under the Creutzborg will, was justified in turning over the trust funds to the voluntary corporation.

Faced with the probability of further protracted and costly litigation in both the State and Federal courts, with indefinite postponement of the building of the Junior-Senior High School and full enjoyment of the benefits to the people of Hudson intended by Dr. Hills, Mrs. Creutzborg and Jessie Norwell Hills, it seemed wise to consider "buying peace" from the Dunns by settling the case. The Dunns' original demand of $130,000 could have been settled at one time for $85,000. Later, it could have been adjusted at various

figures — $58,000, $50,000, $38,000 — and, in January, 1949, the Dunns offered to settle for the much smaller sum of $25,000, that sum to come from the Creutzborg money which is to endow the school.

The School Board and its counsel had to consider the wisdom of continuing the litigation or accepting the offer and thereby lose the annual income for endowment purposes of $25,000. Mrs. Hills and the trustees under the Hills and Creutzborg wills and the Alvirne School felt that the case should be settled. It was pointed out that by so doing the annual loss of income at 2½% on $25,000 would be $625. Recognizing that income from investments would probably be somewhere between 2% and 3% and that the minimum sacrifice would be $500 a year, and the maximum $750, both the Board and counsel for the District felt that it was in the best interests of the people of Hudson not to disregard the recommendation of the various trustees and jeopardize the early construction, equipment and operation of the new school and invite further depletion of the capital funds through protracted litigation. The case, therefore, was settled and appropriate docket markings and judgment given.

Since the decision of the Supreme Court, the School Board has had repeated conferences with representatives of the State Board of Education, Architect Irving Hersey and trustees of the Alvirne School, and, shortly, it is expected that drawings will be completed to permit the breaking of ground for the new Junior-Senior High School in the spring of 1949.

REPORT OF THE
Junior High School Principal

Hudson, New Hampshire

February 10, 1949

To the Citizens of the School District of Hudson, New Hampshire:

I herewith submit to you my third annual report as Principal of Hudson Junior High School.

The regular sessions of the Junior High School for the current school year began on September 8. The school was fortunate in having but one change in its teaching staff, and in adding another member later. Mrs. Dorothy Davis, B.Ed. Keene, and Mr. Richard Clark, B.S. New Hampshire, assumed duties respectively as teachers of English and of Agriculture. Qualifications and interests of other teachers upon the staff resulted in further minor modifications in teaching assignments.

There have been 163 pupils registered in the school this year. At present our registration is 156. Attendance records reveal mid-year averages of 95.12% and 96.03% for Grades VII-VIII and Grade IX, respectively.

The Delaware Plan in moral guidance has been continued and extended this year. All pupils receive this training once a week.

Thanks to the P.T.A., our usual social program has been augmented by weekly evening classes in square dancing. Mr. Royal Raby has generously given of his time for the further development of our school orchestra.

The school thanks at this time the following citizens who have contributed so much to our assembly programs in the development of our theme for the year, "Tolerance": Rev. Albert Vachon, Mr. Joseph Brown, Rev. Thomas Hansberry, Rev. James Glasser, Rev. Elsom Eldridge, and Rabbi Hershel Matt.

This year the exploratory function of the Junior High School has been made more effective by the addition of the curriculum in Agriculture. There are now five curricula from which Ninth Grade pupils may choose: Classical, Home Economics, Industrial, General, and Agriculture.

A higher student-teacher morale is being realized in the school largely because of more diversified program meeting a greater variation in interests, lighter teaching loads, smaller teacher turnover, and adequate supplies of textbooks and materials. These have cost the town extra dollars, and the outcome has been a better school.

This year the school showed evidence of being ready for a venture into student government. Beginnings have been made. Self-control is taking the place of authoritarian control. It is hoped that a student council will be functioning before the end of the school year.

From both standpoints of contest and good sportsmanship our interscholastic athletic program has been successful.

The lunch room continues to be crowded. The work is being ably directed by Mrs. Mary Hunnewell and Mrs. Florence Clark.

Acoustical conditions in the gymnasium continue to present a problem for both the school and the community. This matter was brought to the attention of the public in my last two reports. We seldom use the gymnasium for assembly purposes because of the acoustical difficulty.

Medical checkups were given by Mrs. Helen House, R.N., and Dr. John Quigley this fall. Those of you directly concerned will have received notifications from the school regarding physical defects by this time.

An increased use of the building has considerably added to the duties of our janitor, who has done a commendable piece of work in keeping the building in order.

To those citizens who have contributed in any way to the splendid progress that has been realized this year at Junior High, I extend my thanks.

Respectfully submitted,

RALPH LINTON, Principal

REPORT OF
The Superintendent of Schools

Hudson, New Hampshire

February 14, 1949

To the School Board and Citizens of the School District of Hudson:

This is my third annual report to you concerning your schools.

This has been a year in which we have been pressed by increased enrollment. The special help group at the Webster School had to be given up in order to free the room for regular grade use. As a means of adjusting the number of pupils to the available space, the sixth grade at the Center school is transported to the Webster school and nearly twenty fourth graders go from Webster to the Center. Thus we have found seating space for all. The problem of location will be as difficult of solution for next year. We now have two first grade rooms at Webster school with many more than the ideal number of children per teacher. As these pupils move up, we shall have increased demands for space.

In this time of teacher shortage, we have been very fortunate to have only a few changes in the teaching staff. Although we are not able to compete with some of our neighboring communities in terms of salary, factors important to many of our teachers have made it possible to retain their services. We should be grateful that these who are well-trained can stay with us.

I have become quite concerned about some attitudes that have brought disturbance at our schools. The most trying one is that which leads some parents to believe that the full responsibility for teaching proper behavior rests on the school. One evidence of this is seen in the lack of cooperation with respect to arrival at school long before opening time in the morning and after lunch. Much extra time about the school, with the crowded conditions, leads to irritations and opportunity for injury through the action of those who have no care for the rights of others. Perhaps we shall find merit in a plan which has been tried in other places. The lunch period is shortened so that all must remain at school and thus may be dismissed somewhat earlier in the afternoon.

Elsewhere among these reports you will find an account of progress towards the high school which we have been anticipating. We regret that legal delays have forced us to abandon hope of opening in September 1949. It now appears that we shall be able to proceed with construction during the spring. We shall continue the work in agriculture at the ninth grade level certainly and perhaps in the tenth grade also.

A word of praise for the activity of the P.T.A. seems to be in order. This organization has made a sincere attempt to bring the community and schools to a more complete understanding of the problems involved in the education of our children. It will continue to thrive so long as we use it to discover better methods and better relationships rather than for pure entertainment or a place to vent our spleen.

I wish to express my appreciation for the friendly cooperation shown by those who may give me orders and those who accept directions from me.

REPORT OF THE SCHOOL NURSE

Hudson, N. H.

February 3, 1949

To Superintendent, School Board Members and Citizens of Hudson:

Following is a report of the medical inspection findings and corrections.

		Corrections
Number of pupils examined	523	
Number of pupils showing dental defects	218	108
Number of pupils showing tonsil defects	56	23
Number of pupils showing visual defects	31	25
Number of pupils showing speech defects	5	
Number of pupils showing hearing defects	5	5 lipreading
Number of pupils showing orthopedic defects	3	
Number of pupils showing asthmatic condition	5	
Number of pupils showing cardiac murmur	7	

The general health of the children has been very good throughout the year.

Through the efforts of our State Representative Ned Spaulding and our local P. T. A. we were fortunate in obtaining the service of the Federal dental team to administer the Flourine treatment as a preventive of dental decay. Following a report of their administrations and findings: 345 children from the first six grades were examined, had cleanings, also four Flourine treatments. All children in this group were reported as having dental carious, many of which included the deciduous teeth. Nevertheless, it will be necessary that many dental corrections be made in the near future, in order to preserve the permanent teeth.

Through the cooperation of local organizations, it has been possible to continue the nutritional program providing milk, clothing and hot lunch for needy children, a most worthy project.

The cooperation of teachers and parents is a factor in carrying on a health program.

HELEN J. HOUSE, R. N.
